

United States Patent
5,567,424

Granted: October 22, 1996

Inventors: **Carl W. Hastings**, Glencoe, Missouri

Assignee: **Reliv International, Inc.**, Chesterfield, Missouri

Fiber, Antioxidant, Herbal & Enzyme
Supplemented Beverage.

FIELD OF INVENTION

The present invention involves a beverage composition that supplies fiber, herbs, antioxidants, and enzymes to the human body. This beverage composition can serve as a food supplement to deliver a combination of nutrients to the body to assist in maintaining good health.

The Commissioner of Patents & Trademarks

Has received an application for a patent for a new and useful invention. The title and description of the invention are enclosed. The requirements of law have been complied with, and it has been determined that a patent on the invention shall be granted under the law.

Therefore, this

United States Patent

Grants to the person(s) having title to this patent the right to exclude others from making, using, or selling the invention throughout the United States of America for the term of seventeen years from the date of this patent, subject to the payment of maintenance fees as provided by law.
